Diversity Survey 2019

> The data which follows was obtained from an anonymous survey of FSP staff undertaken in June 2019 using a questionnaire prescribed by the Solicitors Regulation Authority.

> 84% of our partners and employees completed the survey. The results show the percentages of those responding. We have aggregated details where appropriate to protect individual identity.

> FSP is committed to avoiding unlawful and inappropriate discrimination and bias in all its activities including in all its management, employment and recruitment practices. We also aim to become an increasingly more inclusive and diverse population.
